

TERMS OF REFERENCE:

APPOINTMENT OF AN AGENCY TO DESIGN, BUILD THE INFRASTRUCTURE AND LANDSCAPING OF A PUBLIC PARK IN HITHADHOO – ADDU CITY

Background:

Maldives Pension Administration Office is an independent organization established under the Maldives Pension Act, which was ratified on 13 May 2009. It is mandated with the planning, development, implementation and administration of pension schemes in the Maldives.

Objectives:

As part of our Corporate Social Responsibility (CSR) and strong commitment to provide assistance and support to our key stakeholders, we aim to target senior citizens, who need unconditional support and care from all institutions. We take a lead role and contribute to the efforts in improving the quality of life of the senior citizens as well as that of the local community and society at large.

Aiming to achieve this important cause, Pension Office is looking for an agency to develop a park in the Land allocated to Pension Office at Addu City. The Agency will be required to perform all necessary work related with the design, carryout all the required work and complete a public park in Hithadhoo – Addu City. This park is primarily designed and targeted to use by the senior citizens of the Addu City who need a place to enjoy, relax and have a rendezvous with their fellow senior citizens. This park will also be a place for the small children to have quality time with their grandparents as well.

Scope of Work:

1. Layout and design the public park as per the conceptual requirements of Pension Office.
2. Build the necessary infrastructure and carry out the landscaping work of the park
3. Construct fences around the park area

4. Carryout masonry and other necessary work in order to have a shelter for those who make use of the facility
5. Build benches and seating area inside the park
6. Shall carry out field inspections and site inspections in Hithadhoo - Addu City
7. The proposal shall be submitted in 2 (two) hard copies and 1 (one) soft copy

Expected Output:

1. Detailed Design for the proposed as per the concept approved by the Pension Office, ensuring a cost effective layout and provision of necessary of infrastructure
2. Detailed design drawings, inclusive of construction details, final quantities, costs and technical specifications
3. Cost of the Park as per the detail design
4. Landscaping of the park as per the approved concept and final design
5. Paving of a walking track inside the park, which will be used by the senior citizens
6. Construct a shelter to accommodate around a group of 20 persons (at any given time) to hold briefings and meetings with basic facilities to convene such briefings
7. Arrange to provide water and electricity to be used at the facility
8. Build Toilet facilities inside the park with special emphasis given to the targeted users of the facility

Deliverables

- A master plan document that clearly and graphically represents the actions and recommendations.
- An implementation plan that clearly outlines the actions and their respective priorities.
- Detailed Work Schedule for the Project
- An estimate of cost for each action. This can be prepared with assistance from the City Council Landscape Architects/ Project Managers if required.

Reporting Arrangements:

The firm will be supervised by the Manager Public Relations, who is the main point of contact at the Pension Office

All the deliverables will be reviewed and approved, as appropriate, by management of Pension Office

All materials, graphics, and products prepared by the firm under the Contract shall belong to and remain the property of the Client.

Format of the Technical Proposal:

The Technical Proposal should contain the following information:

1. A brief profile and description of the Firm.
2. Lists of relevant work experience for the last 3 (three) years.
3. Project schedule
4. Estimated costs
5. Anticipated environmental impact of the proposed work
6. Description of Approach and methodology
7. Work Plan
8. Quality Assurance
